SRS+ Quickview show the compatibility of both Stock & Equipment. Quickview can help you identify Equipment that you might need to expand your Auto capability

COMPATIBILITY

QUICKLY IDENTIFY YOUR ABILITY TO DO A JOB
• Do you have the right Stock ?
• Do you have the right Equipment ?

SRS+ QuickView Is designed to assist from your customers initial enquiry.

Quickly assess:

• What cloning options are available & with what brand of machine?

• Can I supply a JMA or KEYDIY key blade?

• Can I open / decode this vehicle with ORIGINAL LISHI?

• Can I provide a remote for this vehicle?

• What remote brand is compatible & what series of the remote do I need?

• How is the remote programmed?

• Can I program this vehicle All-Keys-Lost?

• Can I add additional Keys?

• Can I program the remote diagnostically or on board if required?

• Does the vehicle require a pin?

• Can I obtain the pin number with my diagnostic tool?

COMPATIBILITY LEGEND
